

Greetings from the DSA Office

Welcome to “Active Hands” our April 2014 Edition!

The DSA Board of Directors met on the 29th March with the following key developments being highlighted:

1. **Future Funding** – this area will cover our ongoing organizational funding from the Australian Sports Commission as well as a revamped Active Deaf Kids Program. The ADK model and the new ADK Strategic Plan 2014 - 2017 will still concentrate on multi sports days but the aim will be to work with a number of specific partners to ensure the children (and families) are aware of the pathways, bridges (to clubs) and choices that are available in pursuing the opportunity to play a sport(s). In addition partnerships with National Sporting Organisations will see continual roll out of inclusion / awareness programs.
2. **New Membership Structure** – discussions are ongoing with a number of sports. A working party has been formed to go through a number of issues.
3. **Board Evaluation** by Board Members has commenced together with a skills analysis that is aimed at developing a constructive succession plan for Board and staff members.
4. **2016 Australian Deaf Games** – the Game Organising Committee should be appointed by the end of the month. Currently in place is the Business Plan, Marketing Plan, Sport Agreement, Games Hub, central accommodation site and tentative bookings on a number of venues.
5. **Expressions of interests** will be forwarded to seek appointments for the Chef de Mission for the upcoming 2015 Asia Pacific Deaf games and the 2017 Deaflympics.
6. Investigations into **DSA bidding** for the 2019 Asia Pacific Deaf Games have commenced.
7. The **DSA website** has been updated to ensure an improved communication vehicle is available to the community.

During the meeting the Board accepted Brent Phillips resignation which was received a couple of days prior to the meeting. Unforeseen but understood Brent’s priorities to his new family, studies and to his work has meant that he is now unable to commit the time and energy to the DSA Board. The following are a few of many highlights during Brent’s period on the DSA Board

- Served seven years as President of DSA which included the successful ADG in Geelong and the Gold Coast, the commencement of the ADK program and the attendance of teams at a number of International events;
- Introduced a successful bid process for the Australian Deaf Games;
- The development of a number of successful partnerships within the deaf and sporting industries;
- That during this time he attended 67 Board Meetings!

We thank Brent for his commitment and support to Deaf Sports Australia over a nine year period and wish him and the family the very best for the future.

All the best.

Garry West-Bail, General Manager
