Greetings from the DSA office

Ever since the dust has settled after our 2017 Deaflympic Games campaign, we have been busy refocusing on reviewing and developing strategies going forward in relation to the Asia Pacific Games for the Deaf, 1st World Deaf Youth Games and Deaflympic Games.

Prior to the 2017 Deaflympic Games commencing, I attended a 3 day Congress and Workshop that was hosted by the International Committee of Sports for the Deaf (ICSD).

A total of 85 Member Countries were in attendance over the 3 days. The first day was an informal workshop, whilst the last 2 days focused on the formalities such as voting for motions to be approved and other matters such as the Financial Reports.

A whole range of topics were discussed including the relationship with the IOC, Anti-Doping, Audiograms and Gender Equality.

Below are the ICSD Board Members that were voted in:

President: Valery Ruhkledev (Russia)
Vice Presidents: Kang Chen (Taiwan) & Jack Lamberton (USA)
Board: Rebecca Adam (Australia)
 Grigor Grigoryan (Armenia)
 Yakup Kihitur (Turkey)
 Marijo Lusic (Croatia)

Deaf Sports Australia warmly congratulates Rebecca Adam on her re-election to the ICSD Board.

Highlights:

- Argentina will host the 2019 World Deaf Youth Olympics in January in Buenos Aires, Argentina.
- 2019 Winter Deaflympic Games - two country bids were received for the however both bids are still being considered and the ICSD Board will confirm the winning bid at their next Board meeting.
- 2021 Summer Deaflympic Games - four bids were received (China, USA, UAE - Dubai, and Azerbaijan) however the Board will consider these bids and will decide at their next Board meeting. These bids were proposed by the National Olympic Committee in these countries as no Deaf Sports organisations provided any bids. An announcement will be made by the end of this year (however at the time of writing this, ICSD announced via an article on social media that only two bids now remain which is Los Angeles, USA, and Dubai, UAE).

The Congress and Workshop provided me with an insight into the machinations of how the ICSD and Member Countries work together. It was an invaluable experience which I am very grateful for.

Pertaining to DSA matters, we will be hosting a MRC Foundation Race Day on Saturday 23rd September to fundraise for our programs including the Active Deaf Kids, Australian Deaf Games, Deaflympic Games and Asia Pacific Games for the Deaf. Further details regarding this special event is outlined below in this edition. If you are in Melbourne that weekend, please come along for a fun day out with your family, friends and partner!

I hope you enjoy reading this eNews!

2017 Deaflympic Games Overview

With the 2017 Deaflympic Games now over, the Australian Team have returned home safely after what has generally been described as a challenging but rewarding campaign for many of our team members.

Many Personal Bests were achieved by individual athletes in both Athletics and Swimming whilst our Basketball Team, the Goannas, put other countries on notice with several close games. The majority of our individuals achieved top 10 results including the Goannas ranked in at 9th in the world. These were outstanding achievements despite the obstacles our athletes faced over the past few years. We warmly congratulate our athletes on doing their best at the Games!

Deaf Sports Australia would like to thank our Chef de Mission, Bryn Davies for his work in ensuring that the team got to the Games and back home safely. We also thank our officials, Daniel Vukovic (Physiotherapist), Mark Quinn (Interpreter), Andrew Green (Athletics Team Manager), Brent Reid (Goannas Coach), Ramas McRae (Goannas Assistant Coach), Rod Crick (Goannas Team Manager), Mel Klamt (Swimming Coach), Brent Kirchner and (Swimming Team Manager) for their excellent efforts in ensuring that their athletes were well supported throughout the event.

We also warmly thank our sponsors, Chemist Warehouse, Queensland Government, New South Wales Government, Victorian Government and Arther J Gallagher for getting behind our team. We would not have been able to attend this important event without their support.

Overall, it was a fantastic Games with terrific performances and enough joy, tears, laughter and friendships to last for life.
