

## Sporting Schools - Support for schools from Deaf Sport Australia

### Step by Step Guide

#### Prior to applying for funding:

- Go to the [Sporting Schools - Sports page](#) to review sports on offer and also the [Deaf Sport Australia \(DSA\) page](#) for supported sports and offerings
- Check the [Funding page](#) for information on application dates, grant types, how to spend the funding and other questions
- Review the [How to Apply section](#), which is a step by step checklist to follow to ensure your school is registered and can apply

#### Apply for funding when applications are open:

- Log in to the [Sporting Schools school portal](#) to apply via the 'Grants' section
- Select chosen [partner sport/s](#) and submit details required in application - you will receive a copy of your application via email
- Schools will be notified of the grant application outcome within 10 business days after grants close

#### Booking and running your program (post grant approval):

- If successful, contact your local [DSA Sport Development Officer](#) to find out further details of support offered for your requested sport and costs etc
- Log in to the [Sporting Schools school portal](#) to book your program via the 'Booking System' section by selecting the relevant sport package - include in the 'Additional Comments' section that you would like to engage the support of Deaf Sports Australia - you will receive a copy of the booking via email
- Forward the booking email to your DSA contact to commence arrangements of the program (this will also likely be in conjunction with the relevant NSO or State Sporting Organisation)
- Review the [Spending Fact Sheet](#) to ensure funding is spent correctly and during the approved term
